## Partnering in Growth

NSBI Venture Capital invites venture capital investors to become partners in Nova Scotia's growing knowledge-based economy.

A mid- to late-stage investor with the ability to do follow-on investments in its portfolio companies, NSBI Venture Capital focuses on Nova Scotia businesses in five key sectors: information and communications technology, defence and aerospace, energy, advanced manufacturing, and life sciences.

NSBI Venture Capital is proud of its investments in companies such as Unique Solutions, DHX Media, and Techlink Entertainment. Unique Solutions' body-scanning technology has multiple markets and near-term revenue from the health and wellness industry. DHX Media is

a leading international producer and distributor of television programming and interactive content, with an emphasis on children, family and youth markets. Techlink Entertainment is a gaming technology business with an innovative Informed Player Choice System. These businesses are brimming with enormous growth potential.

As a division of Nova Scotia Business Inc. (NSBI), NSBI Venture Capital can offer its venture capital partners valuable insight into Nova Scotia's most promising companies. NSBI's business development and export teams can help companies identify potential partnering and growth opportunities. NSBI is an investor and a partner – on all fronts.
