## Independent Auditor's Report

To the Board of Directors of  
Nova Scotia Business Incorporated

### Opinion

We have audited the accompanying Public Sector Compensation Disclosure Report of Nova Scotia Business Incorporated for the year ended March 31, 2021 (the "Schedule"). The Schedule has been prepared by management based on the *Public Sector Compensation Disclosure Act*, 2010 c. 43, s. 1.

In our opinion, the Public Sector Compensation Disclosure Report of Nova Scotia Business Incorporated for the year ended March 31, 2021, is prepared, in all material respects, in accordance with the *Public Sector Compensation Disclosure Act*, 2010 c. 43, s. 1.

### Management's Responsibility for the Schedule

Management is responsible for the preparation of the Schedule in accordance with the *Public Sector Compensation Disclosure Act*, 2010 c. 43, s. 1, and for such internal control as management determines is necessary to enable the preparation of the Schedule that is free from material misstatement, whether due to fraud or error.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Schedule* section of our report. We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the schedule in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 of the Schedule which, which describes the basis of accounting. The Schedule is prepared to meet the requirements of the *Public Sector Compensation Disclosure Act*, 2010 c. 43, s. 1, dated December 10, 2010. As a result, the Schedule may not be suitable for another purpose.

### Responsibilities of Management and Those Charged with Governance for the Schedule

Management is responsible for the preparation of the Schedule in accordance with the *Public Sector Compensation Disclosure Act*, 2010 c. 43, s. 1, and for such internal control as management determines is necessary to enable the preparation of the Schedule that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Schedule**

Our objectives are to obtain reasonable assurance about whether the schedule is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this schedule.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the schedule, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit
